Recommendations

- **Improve retention:** Run follow-ups, coupons and loyalty rewards, starting with the ~11K high-value one-time buyers and the ~18K recent first-time buyers.
- **Fix delivery reliability:** Alert customers when an order will be more than 3 days late, use regional carriers for remote states, set realistic delivery estimates and plan capacity for peak periods.
- **Reduce dependence on São Paulo:** Grow marketing and logistics in RJ, MG, RS and PR.
- **Lower the freight burden:** Test free-shipping thresholds on high-freight categories such as Furniture Decor.
- **Next analysis:** Test whether late deliveries reduce repeat purchase rates.
